

# TOYS & DREAMS

Performances 2019 Dec 7 & 8, 2019, Victoria Uni Memorial Theatre

## CONCERT HANDBOOK - BIG SHOW 2019

Dear performers & parents,

You are part of the 'Big Show' Concert and **will perform twice**, on Saturday 7<sup>th</sup> and Sunday 8<sup>th</sup> December 2019.

Being part of a theatre production will be an exciting experience for you. Through practice you and your fellow students will create something entertaining and fun. You'll learn how a show comes together, learn to dance in time with each other and the music, deal with the unexpected onstage and feel the exhilaration of performing.

Being part of a show requires commitment and focus in class, to learn your part, and attendance at ALL the extra studio and stage rehearsals. Yes, you may have to be at rehearsals for a while, no, you may not always be dancing. Please bring something to do in case you have to wait, plus lunch, snacks and water. Please support the others by respecting their rehearsal time and being quiet. You will end up spending lots of time with your friends and feel part of a team, have nervous butterflies beforehand and great memories afterwards.

Parents, we have a dedicated team working backstage to make this experience rewarding and fun for your child. We are aiming to teach them teamwork, perseverance, patience and lots of other things that come with being part of a production. All performers are invited to take part in a 'finale' (final bow) at the end of the show. This will be rehearsed at the theatre rehearsals. When they are not on stage they will watch the show via video feed in the green room (a room at the theatre in which performers can relax when they are not performing).

The Big Show involves all students from Ballet Grades 3+, Jazz Grades 3+, Contemporary, Acro, Tap, Hip Hop, Musical Theatre, and Lyrical. During the show weekend, the studio also presents four daytime Little Shows (preschool to Primary) and a Junior Show (Ballet & Jazz Grades 1 & 2).

### Why do we have rehearsals?

1. The STUDIO REHEARSAL means performers feel confident in their item before they get to the theatre.
2. The STAGE REHEARSAL allows them to get used to the theatre stage space, the wings for entrances and exits, any scenery or lighting. We also set the lighting with the technician during this rehearsal.
3. The DRESS REHEARSAL allows to practise dancing in your costume, and getting from dressing room to stage on time. We run the dress rehearsal smoothly as if it is a real performance.

Because dances have formations and group work, if even one person is missing it can make the rehearsal less useful. Plus that one person will need help to catch up with the group. **For these reasons, rehearsals are compulsory.** All rehearsal time is included in your Term 4 tuition. After these three rehearsals, performers will be feeling prepared and excited for their shows.

# REHEARSAL TIMETABLE

- All students can wait in the green room before and after their items and everyone is invited back on stage for the finale (final bow) at the end of each performance.

## THEATRE RULES

A NOTE FROM THE TEACHING TEAM: These rules are not to make anyone's life difficult but are a result of lessons learned over many years of putting on concerts at this venue.

- NAME YOUR SHOES, costumes and everything you bring to the theatre. We will keep a lost property bin, but there will be no one at the theatre between rehearsal to search for lost shoes.
- Costumes, hair or makeup are required for the dress rehearsal and performances only, for the studio and stage rehearsals, normal class dance wear.
- The stage & dress rehearsals are **closed. This means both the auditorium, stage and backstage area are for staff, and required performers only. Parents can wait in the foyer or atrium, no viewing. We ask that you respect this.**
- Each time you come to the theatre, performers need to report to the main drop-off dressing area, get ready and then have their parent sign them into the 'green room'.
- Please come with your hair done (and makeup if you wish). Makeup and hair touch-ups will be done by staff once signed into the green room.
- We are currently organising 'backstage chaperones' and will contact volunteers when this is confirmed. Chaperones will stay with certain groups of children and keep them entertained, manage bathroom trips, get them to and from the stage, make sure they have all of the pieces to their costume on, hair and makeup done etc. These chaperones have the experience of watching their group's item from sidestage. Only crew & chaperones are permitted into the green room, backstage or into the auditorium during rehearsals.
- When finished, performers can be picked up from the main dressing area. Please only send one parent to retrieve your child to help with congestion.
- Please bring water, non-staining snacks, and something to keep you occupied quietly.
- There may be small changes to the programme order.
- Performers must arrive **ONE HOUR** before dress rehearsal time, to get ready so we can start on time.
- Some students with many dances will be allocated a dressing room. If your child is among this group, we will notify you by email and a parent or another parent you appoint, must stay backstage with them during the dress rehearsal and performances.

- A parent or guardian must stay at the theatre and remain responsible for their child during the rehearsals. There is a foyer and atrium for waiting. The staff are busy coordinating rehearsals and for safety reasons we cannot have any performers waiting alone in the theatre complex once they have finished rehearsing.
